

**FOR IMMEDIATE RELEASE**

**Public Hearing for Draft Canton Comprehensive Plan Scheduled  
Draft Plan Available for Public Review**

The Canton Comprehensive Plan Committee will hold a public hearing on the Draft Comprehensive Plan for the Town of Canton, Village of Canton and Village of Rensselaer Falls. The public hearing is scheduled for Thursday, June 13, 2019 at 6:30 PM at the Canton Municipal Building, 60 Main Street, Canton. Information boards about the plan will be available for review at an open house prior to the start of the public hearing from 6:00-6:30 PM. A brief overview of the draft plan will be provided by the project team.

Hard copies of the Draft Canton Comprehensive Plan are available for public review in the Offices of the Clerks at the Canton Municipal Building, 60 Main Street, Canton and the Rensselaer Falls Municipal Office, 212 Rensselaer Street, Rensselaer Falls and the Canton Free Library, 8 Park Street, Canton. A digital version of the draft plan is available at [cantoncomprehensiveplan.com](http://cantoncomprehensiveplan.com).

A Comprehensive Plan is a blueprint for the future of a community. The Plan provides a framework for the future in the areas of land use, economic growth, resiliency and sustainability, community identity, and transportation and mobility. The draft Comprehensive Plan includes a series of recommendations intended to achieve the vision of Canton based on the culmination of two years of existing conditions analyses, public engagement and stakeholder input.

The Town and Villages have established a Comprehensive Plan Committee that is working with a team of planning, design, and engineering specialists led by M.J. Engineering and Land Surveying, P.C. and supported by River Street Planning and Development. This project is funded by the New York State Department of State under Title 11 of the Environmental Protection Fund.

More information about upcoming meetings and project updates will be available on the project website at <https://cantonnycomprehensiveplan.com/>.
